America's Resource for Adopting Older Children

1967-2022 America's Resource for Adopting Older Children

Fr. Paul Engel, OFM Cap- Founder

Who are we?

Downey Side is an adoption agency dedicated to children whom we call “**America’s Waiting Children**”. Downey Side is one of the few **national** adoption agencies in the U.S. recruiting families for America’s Waiting Children aged 7-17.

Consider adopting a waiting child. You will find 5 groups of children:

1. Older children
2. Minority children.
3. Physically challenged children.
4. Emotionally challenged children.
5. Sibling groups. (ages 2- 17 years old)

What do we do?

We prepare and certify families who are able to then offer to adopt a child or children throughout the continental U.S. Downey Side then connects them to the county the children come from to make the eventual placement as smooth as possible. We stay available to the family throughout the process.

The one time cost to begin this process is **\$5000** for a single parent and **\$7000** for a couple. For married couples, we require that both applicants be trained.

Can you adopt a waiting American child?

Yes, you can adopt! Get the facts:

- Adults of all ages adopt.
- Single, married & divorced people adopt.
- People of all income levels adopt.
- People who own or rent adopt.
- People of every race and religion adopt.
- Physically challenged people adopt.

Downey Side offers the prospective parent an array of services throughout the adoption process, including:

Training

Downey Side leads *Exploring Adoption* training, a seminar that assists families in their self-assessment, and is now required by most states. This is a hybrid course during the pandemic.

Certification

All families are certified by Downey Side and licensed according to the laws of their state.

Support Group

An opportunity to be part of a monthly support group during the adoption process and beyond.

Financial Subsidies

In many cases, monthly subsidies are available.

Mission Statement

Downey Side’s philosophy is rooted in the conviction that every child has the right to a permanent family. It is our purpose to work in partnership with the government as a licensed adoption agency to place America’s waiting children who otherwise would remain homeless. We are dedicated to family life for all children and strongly believe that a healthy permanent relationship is the best prevention against homelessness.

Downey Side has the additional purpose of leading members of each community to become advocates for children in need.
