HOW YOU CAN HELP

Downey Side relies on generous contributions from individuals and corporate sponsors to provide the resources necessary to sustain our mission to provide loving homes for as many children as possible.

All donations are tax deductible to the extent allowed by law. You may donate online or send a check to one of our offices. You may also purchase “America’s Youngest Hostages” by Ian Keldoulis available at Amazon or Barnes & Noble.

A BRIDGE TO A BRIGHTER FUTURE

For over 55 years, Downey Side has been connecting displaced children aged 7-17 with permanent families.

OUR MISSION

At Downey Side, we believe every child has the right to a permanent family. We’re a licensed adoption agency dedicated to placing America’s waiting children who would otherwise remain in foster care.
